Fall 2020- Study Plan

This document contains a table which shows me all the test I will have on each week and for which course they are for. The purpose of this is to help me prepare for all my test by making me aware of them.

Course List:

- Intro to College English

- Asynchronous Fitness

- Math Concepts

- Programming 1

- Intro to Computer Science

- Game Programming 1

Test Table

Intro to College English	O
